Game Rules

Bag Toss 2 to 8 players

Preparation: Set boards 15 feet apart.

Game Rules:

Each team has 4 Bean Bags. Players should alternate throws during their team's turn.

Hint: You can knock your opponent's Bean Bags off the board.

A bag thrown through the hole earns 3 points. A bag that lands on the board earns 1 point. Subtract the low score from the high score for each round of play. For example: Team A has 1 bag in the hole and 2 bags on the board, for a score of 5 points. Team B has two bags on the board, for a score of 2 points. Team A (5 points) – Team B (2 points) = Team A (3 points). Team A receives 3 points for that round of play.

Game is played until one team scores 21 points. A team can win by a white wash which is 11 - 0. A white wash can not occur in the first half of the first round. (All 4 bags in the hole by player 1 of team 1 and only 1 point or zero points by player 1 of team 2.)

A bag that is tossed in play and knocks another bag off or in the hole is legal.

A bag that bounces from the ground onto the board is not a legal play. This bag must be removed from the board and play is then continued.
