

!! CAUTION

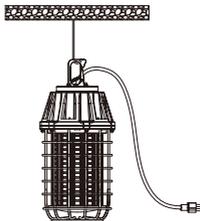

- Before installation and maintenance of the high lumen pendant, please disconnect the power to prevent electric shock.
- The high lumen pendant must be installed in an appropriate environment, operating in harsh environments may shorten the lifespan or even damage the pendant.
- Please keep the high lumen pendant away from any corrosive substance, clean with dry cloth only.
- To ensure a safe installation, please make sure the high lumen pendant is attached firmly and securely when installing on high places.

!! INSTALLATION INSTRUCTIONS

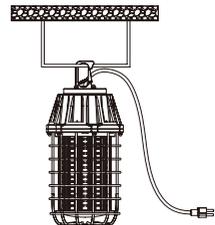

Please check and make sure there is no sign of physical damage to the product when unpacking. Do not use damaged product.

Step 1:
Tighten the carabiner O hook
and fix the hook screw.

Step 2:
Ensure the installation
location is strong enough
to support a minimum of
66 lbs. of total weight.

Step 3:
Plug the power cord into a
power outlet. Turn on the
device and ensure it is
operating as expected.
