Important Safety Instruction

This portable lamp has a polarized plug (One blade is wider than the other) as a safety feature to reduce the risk of the electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit in the outlet, reverse the plug. If it still does not fit, consult a qualified electrician. Never use an extension cord unless the plug can be fully inserted. Do not alter the plug.

Note: 120V/100W

WARNING ! – To reduce the risk of fire ,electric shock, or personal injury:

- Turn off / unplug lamp and allow to cool before replacing bulb.
- Do not touch bulb when fixture is turned on
- Do not look directly at lighted bulb
- keep materials that burn easily away from lighted bulb

CLEANING:

Use only soft cloth to dust and clean fixture. Never use chemicals or abrasive cleaners as it may damage finish
