Installation Instructions for 8’ Decorative Closet Pole/Drapery Rod – 1.5” Diameter

1. Rod comes assembled ready to go as a 8 foot continuous pole
2. Rod can be cut down to any desired length using a hand saw or any comparable tool
3. If you are using this item as a drapery pole, slide pole into mounting brackets and use screws to tighten the rod in place. (Mounting hardware sold separately)
   If you are using this item as a closet pole, insert the rod into Closet Pole Socket. (Closet Pole Socket sold separately)
