Model #5038-WH

## Installation Guide

THD: Single Brush Plate

### PACKAGE CONTENTS

- 1 Single Brush Plate
- 2 Phillips head screws

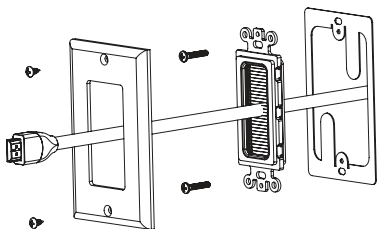

### TOOLS NEEDED

- Drywall saw
- Phillips head screwdriver

## Installation

### 1 ROUTING THE CABLES

- After installing a low voltage mounting bracket (not included) pass your low voltage A/V cables through the opening in the plate.

### 2 INSTALLING THE PLATE

- Then, secure the Brush Plate to the wall using a Phillips head screwdriver.
