

Assembly and Installation

This shelf comes fully assembled and ready for installation. To install you will simply, locate the loops on the upper back board of the shelf. Decide where you want to install the shelf. Using a level, place and install screws, nails, or hangers in the necessary locations and accordingly with the loops on the back. This will complete the installation and you can now enjoy and decorate your shelf.

Use and Care

Use this shelf for displaying décor and storing toiletries. Capacity tested up to 15 lbs. To clean wipe down with dry cloth.

Warranty

We will refund/exchange for damaged or defective items up to 30 days after date of receipt. If you are unhappy with your purchase for any reason, we will work with you.
