

Inspired by the look of natural flagstone, the Foot Notes[®] patio stone set is perfectly designed to create stepping-stone paths, pathways, walkways and patios. The distinctive appearance of the Foot Notes product integrates harmoniously with retaining walls, planters and other landscape elements.

The Foot Notes patio stone set is made up of five uniquely shaped pieces, each with its own face pattern. Designed for Do-It-Yourselfers, the patio stones feature a smooth back side for easy leveling and installation.
