

Grande Folding Trellis

ASSEMBLY INSTRUCTIONS for an A-FRAME TRELLIS

1. Lean your folding trellises against each other in the A-frame configuration as shown in figure 1 aligning the pre-drilled holes in the top of the trellis legs.
2. Using the 2 bolts and nuts provided in the box insert 1 bolt through the pre-drilled holes on the left hand legs and then insert the second bolt through the pre-drilled holes of the right hand legs. Secure each bolt with a nut, tightening each by hand and finishing with the pliers, until the trellis legs are stabilized.

Parts List

Carriage bolts- 2 ea.

Nuts- 2 ea.

TOOLS YOU WILL NEED:

Pliers
