CANISTERS & SCOOPS

PREMIUM 18/10 STAINLESS STEEL

8 Pc SET

Use & Care Instructions

Using Your Canisters & Scoops

- Before using your canisters & scoops for the first time, hand-wash with warm soapy water, rinse and dry thoroughly.

Cleaning and Caring For Your Canisters & Scoops

- **HAND-WASH ONLY** Stainless steel products are typically dishwasher-safe. However, to preserve the dual finish on your canisters (satin + mirror accent), we recommend hand-washing and immediately drying the canisters with a soft cloth. This will prevent water spots from forming.
- Glass lids and their components should never be put in the dishwasher. This will prevent loosening of the airtight seal.
