DAMAGED MERCHANDISE

We use the finest packing materials available and every effort is made to prevent damage. In the event damaged merchandise is received, retain the original shipping carton and take the following steps that apply:

FedEx Ground / United Parcel Service (UPS). Contact your local office for an inspection report. Require them to return the merchandise to us — please do not return the merchandise yourself.

Parcel Post (USPS). If merchandise is damaged, take the package to your local post office and file a damage claim. The post office will investigate the claim and make restitution to cover the damage.

LOST MERCHANDISE

Merchandise lost in shipment will be replaced after the shipment has been traced. Upon notification from the carrier of non-delivery, a claim will be filed and the merchandise will be replaced at no charge.

CI SHIPPING ERRORS

All shipments should be checked immediately upon receipt. Duplicate shipments, mis-shipments, dead-on-arrival defective units, or any other errors on our part will be corrected by us at no charge upon notification of the error. **THIS NOTIFICATION MUST BE MADE WITHIN 10 DAYS FROM DATE OF INVOICE.**

After return, an inspection will be made by our warehouse. Shipping charges incurred due to the return of merchandise are the responsibility of the dealer.
