- All natural stone has substantial shade variations. Expect variations in shade and color between all pieces.
- Blending from several boxes during installation is recommended.
- Sealing natural stone tiles is highly recommended. Use a high quality sealer prior to grouting to facilitate cleaning. Follow manufacturer recommendations for reapplication as part of an ongoing maintenance routine.
- Makes a great complement for a variety of decorative styles, spanning from rustic to contemporary.
- Penetrating sealers recommended before grouting.
- Recommend white “polymer-modified” thin set and non-sanded grout for best installation results.
