

GLASS ETCHING CREAM

DecoArt Easy Etch safely etches glass, mirrors, marble, slate, porcelain, glazed ceramics, and more in just 15 minutes.

- Contains no hydrofluoric acid, which is found in most other etching products
- Delivers a frosted, white, matte finish that will not fade, chip, or discolor
- Indoor/outdoor finish with very low odor
- Permanent and reusable
- Can be cleaned with any household glass cleaner
- Dishwasher-safe
- Fingerprint-proof
- Smooth and creamy consistency is excellent for fine tip writer applications
- Use for privacy on sidelight windows, glass door panels, and shower doors
- Quick and easy clean-up
