

New England Pine Collection

Spruce up your doorstep this holiday season with the timeless appeal of the New England Pine Collection from Fraser Hill Farm. With the New England Pine Collection, you can spend less time and money replacing natural garland, trees, and wreaths every year. Instead, invest in one of our premium artificial designs that will provide decades of reuse.

Each item features luscious green foliage, drizzled in warm LED lighting, and are made with quality, maintenance-free materials that last season after season. The branches display multiple shades of green PVC needles that will instantly add a pop of color to any frosty scene.

Our 4-foot potted tree set is perfect for framing doorways, fireplaces, and staircases. The base of the tree is secured by a faux-log pot. Add a little more holiday glow to the scene by adding the coordinating 9-foot garland and/or 24-inch wreath into the mix. All items are designed with battery-operated LED lights that give you the freedom to display them wherever you like.
