Basic Performance and Features

Performance® models offer the essentials.

6-year limited warranty for tank and parts, plus a 1-year in-home labor warranty

Added Performance, Enhanced Efficiency, Stress-Free Maintenance

Performance Plus® models deliver above and beyond the essentials, with more premium features than Performance® models.

Diagnostic gas valve on gas models monitors performance

Self-cleaning devices offer enhanced durability and dependability

Designed for easy venting using standard materials (gas models only)

9-year limited warranty for tank and parts, plus a 2-year, in-home labor warranty

Best Performance, Highest Efficiency, Lowest Maintenance

Offering the most advanced water heating performance and efficiency available, Performance Platinum™ models provide up to 10% more hot water than standard Performance® models—while maintaining industry-leading energy savings and unprecedented convenience and control.

ENERGY STAR® gas models feature electronic diagnostic gas valves, which save energy and monitor performance

Electronic LCD control on electric models displays set temperature, operating mode, diagnostics and alerts

Audible alarms activate if a water leak is detected outside the unit (Gas models require EcoNet® Wifi Kit, sold separately)

Self-cleaning devices offer enhanced durability and dependability

Get mobile notifications, alerts, and remotely adjust water temperature with the EcoNet® WiFi kit (sold separately) and app¹

Up to 12-year limited warranty for tank and parts, plus a 3-year, in-home labor warranty
