

## **WARRANTY POLICY**

Our Warranty on oil-lubricated air compressor pumps and tanks is valid for 5 years and we proudly offer a 2 Year Limited Warranty on all air compressor components. We assume no liability for incidental, indirect, or consequential damages for losses resulting from the use of our products or any breach of warranty. Merchandise that has been replaced during the warranty period does not extend the warranty period past the original period. If a product fails outside of the warranty period, contact our Technical Service Department for information on repair, procedures, and cost. All shipping charges for equipment returned to us is the responsibility of the customer.
