

# SPLASHBACK TILE

## Specification Sheet

### Charm 2.0 Series Glass & Stone Tile

This gorgeous mosaic is composed of luscious stone, pearl, metal decos and porcelain filled crushed glass. Each glass chip is hand pressed and then hand filled with colored crushed glass to create an intensely faceted surface that will capture and reflect light, making it look like thousands of tiny twinkling diamonds. With the combination of pearl, stone, metal decos and crushed glass this tile is great to use as a backsplash or in any decorated spot in your home.
