5. Fire-Fighting Measures

Suitable Extinguishing Media: Use foam, Co2, dry chemical or water spray (fog) methods

Unsuitable Extinguishing Media:

Firefighters: Wear self contained breathing apparatus and full protective gear.

Unusual Fire and Explosion Hazards: Sulfur containing components may release oxides of sulfur.

6. Accidental Release Measures

Personal Precautions: Use dust mask to avoid inhalation of particles. Gloves recommended but not required.

Environmental Precautions: Keep spills and runoff from municipal sewers and open bodies of water.

Methods for Containment: Cleanup the spill promptly by sweeping, scooping, and/or vacuum.

Methods for Cleaning up: Contain and dispose of per local and federal regulations. Spray area to wash off residue. Wash off any exposed skin.

7. Handling and Storage

Handling: Avoid container breakage. Use proper lifting techniques. Wear appropriate clothing.

Storage: Store in original containers only. Keep container closed and in a dry, ventilated location. Best to always store away from children, pets, and flame sources. May stain concrete, tile, and stucco surfaces.
