

Haunted Hill Farm™

Awaken the spirit of Halloween with this unique musical lamp post from Haunted Hill Farm. You and your guests will be spellbound as orange beads cascade over a gruesome skull scene. White LED lights illuminate the flurry of polyfoam beads as blood-curdling music plays along. Plus, the skull's eyes light up red! Scary directional signs decorate the post and add to the fun. Place it on your porch, walkway, driveway, or anywhere else in your yard to create a one-of-a-kind frightful display everyone will love.
