

EXHAUST FAN

WARRANTY

The manufacturer warrants to the original purchaser of its products that it will be free from defects in materials or workmanship for a period of 36 months from the date of original purchase.

During the stated warranty period, the manufacturer will replace, without charge, any product which is found to be defective under normal use and service.

This warranty does not cover any products or parts which have been subject to misuse, negligence, accident, improper maintenance or repair, faulty installation or installation contrary to recommended installation instructions. Labor to remove and replace products is not covered.

The duration of any implied warranty is limited to the time period specified for the express warranty.

To return goods for warranty repair, the customer must first contact the factory for a Return Materials Authorization (RMA) number and a ship to address.

WARRANTY DOES NOT APPLY TO: Shipping damage, either concealed or visible. Claims must be filed with the carrier. Damage caused by improper installation, wiring, or connection to incorrect electrical voltage or goods that have been modified or altered. Damage caused by corrosion, abrasion, or severe temperatures. No other warranties, expressed, implied or written, shall apply to these goods.

No responsibility will be accepted for any consequential or incidental damages, loss of property, revenues or profit, cost of removal, installation or re-installation, personal damage or loss of life, or for any breach of warranty, regardless of cause.
