

## WiFi Connect (For customers in the United States only - on some models)

Depending on the model, your washer is either **GE Appliances WiFi Connect** enabled, or compatible using the optional **GE Appliances ConnectPlus** module.

**If enabled:** Visit [www.geappliances.com/connect](http://www.geappliances.com/connect) and enter your model number to show you the proper steps to connect your appliance.

**If compatible:** To connect this appliance to the internet you will need to purchase a **GE Appliances ConnectPlus** and attach the module to your appliance through the communication port in the appliance. The **GE Appliances ConnectPlus** will allow your appliance to communicate with your smartphone for remote appliance monitoring, control and notifications.

Please visit [www.GEAppliances.com/connect](http://www.GEAppliances.com/connect) to learn more about connected appliance features, to learn what connected appliance app's will work with your smartphone.

WiFi Connectivity: For assistance with the appliance or the **ConnectPlus** network connectivity, please call GE Appliances at **800.GE.CARES**.

Visit your local authorized GE Appliances parts distributor or order by phone at **800.661.1616** during normal business hours.
