GENERAL INFORMATION

Your new chair and ottoman set are made from the finest materials available. It should provide many years of enjoyment with minimal care.

Keep your chair and ottoman set clean. For best results, clean with a soft, damp cloth. If you use furniture covers, always make sure the chair and ottoman set are clean and completely dry before covering, as mold may form in dark, wet places. Remove cushions prior to covering and store them in a dry, temperature controlled place. Check the connectors on your chair and ottoman set regularly to make sure they are secure.

The weight limit for one seat of the chair is 250 lbs.
