

216 N. Interurban
Richardson, Texas 75081

Local: 469-916-7503
Phone: 866-422-0751
Fax: 972-744-9755

PLEASE NOTE!

These pergola kits are delivered to you via semi-truck. The wooden crate containing the contents is at least 10' long and weighs over a thousand pounds. The service is **CURBSIDE ONLY** meaning the truck driver will not carry the contents of the crate anywhere other than the parking spot of the address you supply to Home Depot for delivery.

The customer is responsible for moving the contents to the final destination. The driver is instructed to empty the contents of the crate. The contents should not weigh more than 50-60 pounds each.

You must be available for your delivery with the appropriate method of moving the contents to the final destination.

Please call us at (866) 422-0751 for questions.

Thank you!

The OZCO Building Product Team
