

Easy Home Automation from Anywhere

THE FUTURE IS ON®

The Leader in Smart Home Lighting

Embrace today's lifestyle with the Decora Smart™ family of dimmers, switches, outlets and plug-in devices and enjoy easy home automation from the convenience of a smartphone or tablet.

Pair Decora Smart devices with their compatible Wi-Fi®, HomeKit™ or Z-Wave® technology. You can dim and time lighting, automate appliances and more from inside the home or while away via App or optional voice command.

Decora Smart products support LED, CFL, incandescent and halogen bulbs. They coordinate with our popular line of Decora® devices and are backed with our industry-leading, 5-year warranty.

Selecting the right technology is easy:

Are you an Alexa, Google Assistant or Android enthusiast? **Choose Wi-Fi®**

Do you use Siri® or the Apple Home App? **Choose HomeKit™**

Are you currently using a hub? **Choose Z-Wave®**

Do you want in-room control to dim and time lights? **Choose Bluetooth®**

decora smart™ with Wi-Fi® Technology

- Control lights from anywhere using the “My Leviton” App ; no hub required
- Schedule lights to turn ON/OFF or DIM at user selected times
- Voice control using Alexa and Google Assistant
- Easily group smart devices into rooms and create scenes to activate multiple lights at once
- Plug-ins provide a wireless option to control lamps, small appliances, holiday lighting and more

“Alexa, turn off kitchen light.”

“Ok Google, dim living room lights 25%.”

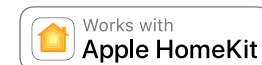

See inside back cover for full product listing.

decora smart™ with HomeKit™ Technology

- Pair “Decora Smart Home” App with Apple for advanced lighting control when home or away
- Apple HomeKit technology provides an easy, secure way to control lights using an iPhone®, iPad® or iPod Touch®
- Turn lights ON/OFF or DIM with voice command using Siri®
- Apple Home App and Apple TV® or HomePod™ allow for remote control of all connected accessories from an iOS device and communication to third-party devices

“Hey Siri, turn on all the lights.”

See inside back cover for full product listing.

decora smart™ with Z-Wave® Technology

- Schedule or dim lights when home or away using a compatible Z-Wave controller
- Plug-ins provide a wireless option to control lamps, small appliances, holiday lighting and more
- Compatible Z-Wave controllers include Wink HUB, Samsung SmartThings™ and smart security systems
- Can be used with Alexa or Google Assistant with compatible hub

See inside back cover for full product listing.

decora digital™ with Bluetooth® Technology

- Combination dimmer, 24-hour programmable timer and countdown (sleep) timer with Bluetooth technology
- Use the Decora Digital Dimmer & Timer App to control, adjust and time lighting
- Local control within a 30-foot* range – no hub, gateway or internet needed

* 30-foot Bluetooth range: Range may vary depending on specific conditions on installation, configuration of walls, obstacles and other factors.

See inside back cover for full product listing.

decora digital™ In-Wall Remotes

- Use ONLY with Decora Smart and Decora Digital Dimmers and Switches for 3-way and multi-location control
- Dimmer Remote adds convenient ON/OFF and DIM/BRIGHT control for up to 5 locations
- Switch Remote adds convenient ON/OFF control for up to 10 locations
- When used with a dimmer, the Switch Remote will turn on the light at the brightness level selected at the dimmer
