***Shown in the White finish*

Amplify your entertainment space with the warm aura of the Santa Monica electric fireplace. Its slim, minimalist frame offers a simplified storage solution to your home by combining features like dual heat functions, a hassle-free fireplace display, and doubles as a TV stand for flat panel TV screens up to 60 inches. Four storage compartments are located on both sides of the fireplace insert. These shelves are adjustable and the divider can be removed to accommodate taller items, such as subwoofers, game consoles, modems, and routers.

The electric insert produces 5,115 BTUs of fan-forced heat that can quickly heat a 210 sq. ft. room. An enchanting multi-color flame display dances across the back of the firebox, creating movement that is sure to catch your eye. Embers of light glaze across the logs within, adding highlights throughout the enhanced log display. The heat settings can be adjusted at the push of a button, and you have the option to display the flames with or without heat. This makes it perfect for use throughout the year!
