

Tommy Docks carries TechStars great dock floats and accessories

TechStar Molded Dock Bumpers

Part # - BB-7 dimensions are 7" Tall x 47 1/2" Long x 3" Thick

Part # - BB-9 dimensions are 9" Tall x 47 1/2" Long x 3" Thick

These Heavy-Duty Bumpers are molded from Polyethylene and can be adapted for most any dock style.

Available in both Sandstone (shown in above picture) and Black. These Molded Dock Bumpers give protection to your dock and watercraft keeping everything looking great for years.

Dock Bumpers create a strong protective barrier for your dock. Our bumpers are non-marking and give a great finished look to your dock. Resistant to contaminants and wildlife as well.
