

SPLASHBACK TILE

Specification Sheet

Flow Ocean Glass & Marble Tile

This stunning design and unique pattern will bring a modern and contemporary ambiance to your home. The combination of frosted and polished glass in white and various shades of blue creates a truly mesmerizing design that will transport you to a place where the sun burns bright and lazy summertime afternoons seemingly never end. The mesh backing not only simplifies installation, it also allows the tiles to be separated which brings an added level of design flexibility. Due to the nature of stone and glass, variations in color, size and veining may occur. This is the natural beauty of the product.
