

## LIMITED WARRANTY

This limited warranty begins on the original date of purchase and covers the primary retail purchaser against defects in material workmanship. This fan has a limited lifetime warranty on the motor and a one-year limited warranty on all other parts, including switches and controls. Glass is excluded from warranty on all fans.

The fan will be repaired at our option, or replace at no charge any defective part, provided the purchaser adheres to all of the terms and conditions of the warranty.

This warranty will not apply if the product has been damaged due to improper installation, neglect, accident or abuse, exposure to extreme heat or humidity or if not serviced.

It does not cover the removal of the damaged fan or installation of a new product.

Notify us of the nature of the defect; include proof of original purchase, model number, date of purchase: amount paid and store name and location.

This warranty is in lieu of any implied warranty, including, but not limited to any implied warranty of merchantability of fitness for a particular purpose. It is limited to the duration set forth in the limited warranty. In no event shall the company be liable for consequential or incidental damages.

This warranty provides specific rights; however, some states do not allow limitations on an implied warranty or the exclusion or limitation or incidental or consequential damages to the above limitations.
