- Vinyl & Formica
- Brick
- Stucco
- Fabric & Delicates
- Plastic & Glass
- Wood & Rubber
- Furniture & Tools
- Metal & Tile
- Floors & Ceramic
- Concrete
- Fiberglass

# PAINT AND VARNISH REMOVER

**Mötsenböcker's Lift Off® Paint & Varnish Remover** is a patented water-based, biodegradable formula. The gel formula stays in place even on vertical surfaces allowing it to work within just 5 minutes!. It is safe and easy to use. Our patented formulation successfully strips enamels and acrylic paints, shellacs, varnishes and other solvent and water-borne coatings and stains from wood, metal and stone. For repurposing, Lift Off® Paint & Varnish Remover is the suitable choice. It's outperformed other products by removing 16 coats of paint in under one hour. It's the safe and effective means to remove paint and varnish.

## Applications:

- Water-Based Paint
- Acrylic Enamel
- Acrylic Paint
- Old & Fresh Paint
- Lacquer & Shellac
- Wood Stains
- Solvent-Based Paint
- Enamel
- Varnish

## Works On the Following Surfaces:

- Wood Furniture
- Tile & Ceramic Flooring
- Brick & Masonry
- Wood Cabinets
- Plastic & Vinyl
- Antique Furniture
- Concrete & Stone
- Windows & Doors
- Metals

# HAND CLEANER AND CONDITIONER

**Mötsenböcker's Lift Off® Hand Cleaner and Conditioner** is an eco-orange, pumice hand cleaner, with lanolin, vitamin E and aloe, for fast cleaning with a fresh citrus scent. Use it to remove paint, grease, tar, oil and grime on hands, and as a conditioner.

**Applications:**

- Fresh Paint
- Old Paint
- Oil
- Grease
- Grime
- Tar

**Works Safe and Effectively on Hands**

# ALL SURFACE CLEANER AND PAINT PREP

This water-based, biodegradable, non-toxic, **Mötsenböcker's Lift Off® All Surface Paint Prep & TSP Substitute** cleans and deglosses prior to painting or refinishing. It improves paint and bonding adhesion to new or re-worked surfaces, painted or un-painted, and can be used on all paints (latex or oil based), varnish, lacquer and polyurethane.

## Applications:

- Dirt
- Soot
- Heel Marks
- Crud
- Grease
- Mildew
- Crayon
- Scum
- Grime
- Food Stains
- Old Wallpaper Paste
- Residue

## Works On the Following Surfaces:

- Walls
- Floors
- Concrete
- Fiberglass
- Doors
- Woodwork
- Metal
- Aluminum
- Baseboards
- Ceilings
- Vinyl
