

Baystate Organic Certifiers Certification Program
October 2013 List of Local/Northeast Area Fertilizers, Compost, and Potting Soils
Approved for use on Certified Organic Farms

<http://www.baystateorganic.org/locateproducts.html>

All Products on the NOFA 2013 Bulk Order Form have been reviewed, and except as noted on the Bulk Order Form, meet the requirements of the National Organic Standards.

Products listed carry one of the following designations:

Allowed (A) materials may be used on certified organic land and crops.

Restricted (R) materials may be used on certified organic land and crops only with certain restrictions. In most cases, careful records of all restricted inputs must be kept.

Baystate Organic Certifiers Certification Program
October 2013 List of Brand Name Products Approved for use on Certified Organic Farms
All of these products are not OMRI listed but have been found by Baystate to be in compliance with the National Organic Standards
