

3/16" CROWN ELECTRIC STAPLER

10-600

Powerful!

15 Amp, 1500 Watt Solenoid is the most powerful in its class.

Rugged!

Thick die-cast aluminum housing protects the heavy gauge electrical driver components.

Durable!

The hardened "nose" piece and extra hard drive hammer assure long, reliable service.

Reliable!

The Power Supply board was laboratory tested and outperformed all competitive brands after a 10,000 "shot" test!

Comfortable!

Lightweight design, with ergonomic handle and rubber grips make the 10-600 comfortable for long use.

Versatile!

A heavy 14 gauge, 12 ft. power cord delivers maximum power and provides a wider range of mobility.

Compact!

The "low profile" 6-3/4" high head allows easy access in tight places.

Convenient!

The 10-600 Stapler is packed in a large plastic carrying case with enough room to include an extra box of staples and other small tools.

The all new 10-600 is, by far, the most reliable, powerful and functional stapler we have ever offered. It will outperform every stapler in its class. Our team of Mechanical and Electrical Engineers evaluated existing electric staplers and designed a rugged, reliable stapler to meet the needs of the most demanding job requirements.

Roberts, the brand that stands for excellence.

SPECIFICATIONS

Item No:	10-600
Current:	120V, AC, 60Hz
Solenoid:	15 Amps, 1500 Watts
Dimensions:	6-7/8" H x 8-5/8" L
Staples:	Holds 85 Staples; 20 gauge, 3/16" Crown - from 1/4" to 9/16" in Length (Duo-Fast 5400 Series Recommended)
