Horizontal Model Shown

Want to protect your parcels from the elements and porch pirates? Now you can with our ParcelWirx BoxLock Bundles.

It's easy as 1, 2, 3!

1. Choose from our stylish and affordable vertical or horizontal ParcelWirx drop boxes.
2. Add additional security for your packages with the innovative BoxLock smart padlock.
3. Use the attractive yard sign to notify major carriers that you are using BoxLock.

The bundle includes your ParcelWirx container, an innovative smart BoxLock padlock, as well as a yard sign to notify carriers. The BoxLock is compatible with any major carrier. Simply scan the carrier's barcode and the lock opens.

Each ParcelWirx drop box includes pre-installed hinges and latch and can be secured by simply drilling through the back or bottom and securing with hardware (not included).
