

# ALTERNATING CURRENT®

BY VARALUZ

## The 411

Alternating Current© is the latest idea from the minds of Varaluz® lighting. We felt the need to flex our design muscles with fresh, fast-paced designs for today's modern lifestyles that are made with a larger focus in mind. We take advantage of more modern materials and finishing techniques in designing these trendier and more budget-conscious fixtures. Imported from various amazing locations around the world but designed in Las Vegas, Nevada.

**Warranty:** One (1) year limited manufacturer warranty
