

TROY LIGHTING

Est. 1963

One (1) year manufacturer warranty.

Two (2) year manufacturer warranty for fixtures featuring a costal finish.

How do I get replacement parts?

Please contact the dealer where you bought the item. They will work with our factory to ensure you get the right parts to correct the issue.

Are assembly and installation instructions included?

Yes. All instructions are enclosed in our cartons. Typically in the package that includes all hanging hardware and/or parts. You will be happy to know that most of our products require little to no assembly.
