

PACKAGE CONTENTS

- A - 1 Category 5e Jack
- B - 1 Punch Down Tool
- C - 1 Plastic Dust Cover

Installation

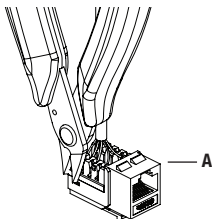

1 PLACING THE WIRES

- Determine if you will be using wiring scheme A or B. Wiring scheme A is for residential. Wiring Diagram B is for Commercial.

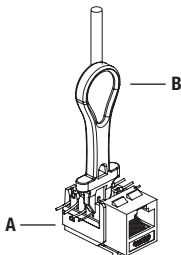

3 TRIMMING THE WIRES

- Use wire cutters to remove the excess wire.

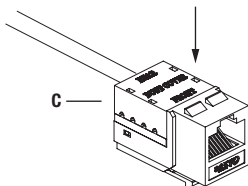

2 TERMINATING THE JACK

- Punch down all wires in the jack (A) using the included plastic punch-down tool (B).

4 INSTALLING THE DUST COVER

- Install the dust cover (C) after all wires are punched down and excess wire is removed.

Safety Information

Please read all instructions and safety information before use. Retain this manual for future reference.

CAUTION: When using tools always follow the manufacturer's safety guidelines.
