

by CRESCENT DOOR WORKS  
DOOR COMPONENT WARRANTY

---

**Crescent Door Works guarantees its door components to be free from defects in material and workmanship for a period of two years from the time of purchase. In the event that Crescent Door Works fails to meet this Warranty, it will, at its own discretion, replace the damaged component(s) as the damage warrants or refund the purchase price. This Warranty is expressly conditioned upon the installation of the door components meeting with industry accepted guidelines and local building codes. Product failure due to mishandling or abuse, failure to provide regular maintenance, normal wear and tear, failure to provide a painted top coat within 60 days of installation, or any installation deemed abnormal or in conditions where squarely installed components are not likely to be achieved or maintained, are all examples of what are not covered by this Warranty. Further, this Warranty is valid only when all of the original hardware supplied by Crescent Door Works is used and installed in the manner specified by Crescent Door Works. Any substitution or alteration of hardware, including screws, as well as any modification of the steel reinforcement tubes, renders this Warranty null and void. Crescent Door Works' liability, in no way and at no time, shall exceed the purchase price of the products. In no way shall Crescent Door Works be responsible to the owner or any other person for any consequential damages, general, incidental or otherwise.**
