

General Tools & Instruments

WARRANTY INFORMATION

In the U.S, General warrants its instruments and digital tools and their accessories against defects in material or workmanship for one year from the date of purchase, unless otherwise stated on their packaging, manual and/or marketing materials. General warrants its non-digital tools and accessories against defects in material or workmanship on a limited lifetime basis.

This warranty does not apply to defects resulting from abuse, neglect, accident, unauthorized repairs or attempted repairs, alteration, or unreasonable use of the product. It also does not cover products purchased from unauthorized distributors. A proof of purchase must accompany each warranty claim.

General will determine whether to replace or repair any product submitted for warranty claim after confirming that its failure was caused by defect(s) in material or workmanship.

Any implied warranties arising from the sale of a General product--including but not limited to implied warranties of merchantability and fitness for a particular purpose--are limited to the above. General shall not be liable for loss of use of the product or other incidental or consequential damages, expenses, or economic loss, or for any claim of such damage, expenses, or economic loss.

State laws vary. The above limitations or exclusions may not apply to you.

For more details or to file a warranty claim, contact General Tools & Instruments Technical Support at techsupport@generatools.com.
