

# Resolve Carpet Stain Cleaner Use and Care

---

## Usage

### HOW TO USE

Test a hidden section of carpet for colorfastness. Allow test area to dry completely and observe for any color change.

Remove solid residue and blot up excess moisture with a clean, colorfast cloth or sponge.

Spray area with Resolve<sup>®</sup> Pet Stain Remover for Carpet. Wait five minutes.

Blot or rub gently with a clean, damp, colorfast cloth or sponge. Rinse, repeat until carpet is clean as necessary.

Keep children, pets from sprayed area until dry.
