

# XP5500EH

## 5,500-Watt Electric Start Dual Fuel Hybrid Portable Generator

The XP5500EH Dual Fuel portable generator is designed as a powerful user-friendly unit that provides 5,500 watts of power using gas or liquid propane. Perfect for running household appliances and providing power to the jobsite. This Dual Fuel workhorse packs a punch and will keep you powered at home, at work, and at play.

**5500** PEAK WATTS  
WATTS GENERATED DURING SURGES

**4500** RUNNING WATTS  
WATTS GENERATED DURING NORMAL OPERATION

### Features

**Dual Fuel** - Runs on Gasoline or Propane.

**MX2 Power Boost Technology** - Double the 120V power for appliances and RV's.

**Electric Start Engine** - 7HP OHV DuroMax engine built for your most demanding power needs.

**All Metal Construction** - Heavy duty steel frame comprised of 1-inch steel tubing.

**EPA and CARB Certified** - Optimized for low emissions and approved for use in all 50 states.

**World Class Warranty** - 3 year residential, 1 year commercial.

### Why Dual Fuel?

**Flexibility**  
Run on gasoline or propane.

**Cleaner Burning**  
Propane won't harm engine internals.

**Longer Shelf Life**  
Propane can be stored indefinitely.

**Reduced Operating Cost**  
Propane is generally less expensive.
