Assembly Instructions

Please check all packing material carefully before discarding, as some parts may be encased in the packing material.

Step 1 Attach the Legs (C) to the Fire Bowl (A) by using bolts (G). Finger Tighten and do not fully tighten all bolts.

Step 2 Attach Connect B (I) to the Fire Bowl (A) by using bolts (G). Connect 4PCS of Outer Ring (B) to a round ring. Hold the fixed round ring by Connector A (H) and Connector B (I) by using Bolts (G). Tighten all the bolts accordingly with the provided Allen Wrench until all pieces fit together securely Put Log grate (D) into the Fire Bowl (A).

Step 3 Place BBQ grill (E) onto the Support Bar (I). Affix Lid Ring (F) to the Mesh Lid (E) by screwing the lid ring into the upper hole of the mesh lid. Then place the mesh lid on the Fire Bowl (A).

How to Care for the Fire Pit:

- *Always use a fire pit cover to maintain its appearance.*
- *Dump ashes into a metal barrel as ashes can remain warm for many days.*
- *Clean your fire pit regularly to prolong the life & look of your fire pit.*
- *Store your fire pit indoors during inclement weather & winter months.*

Your Fire Pit is ready for use now!

We thank you for your purchase of our Fire pit.
