1. **Create an account with Issuu** or log in with Facebook or Google+.
2. Below the publication is an icon or a word “Share.” Click it.
3. Select the “Download” option and save the file to an easily accessed location.
4. “Open” the downloaded file, view and/or print as you want.
Accessory: 50880
Installation Instructions, Wood Post Anchors

plate can be painted to match black post anchors with automotive spray can bedliner
Post securing options

- #10 x 1-1/4" panhead screw mounting holes (screws not included)
- Polyurethane adhesive; 3-4 squeezes on chalk gun applicator inside "injection hole"
- Both methods above

notes:
- Post anchor may be driven into any desired depth.
- Recommend using polyurethane adhesive on applications where securing holes are below surface level to prevent post rot.
