### ASSEMBLY:

We suggest you assemble the unit on a soft surface to avoid damage to the finish

Step 1-Place seat B upside down; install slotted headless bolts in the predrilled holes in the base of the seat B. Connect seat B and one leg C using two flat lock washers under the nuts. Connect the other 3 legs the same way. Finger tightens only.

Step 2-Install two bolts in the predrilled holes in the base of the back A. Attach the back A to the seat B using both flat and lock washers under the nuts. Finger tightens only.

Step 3-Adjust the legs C and back A make the seat standing stable then tighten all the nuts and bolts.

Your chair is now ready for use.

### CAUTION

The unit is constructed of cast metal and is brittle. Do not force any part of the assembly and do not over tighten the fasteners, severe damage may occur.
