SADDLE-BOX® Nonmetallic Ceiling Fan Support Boxes

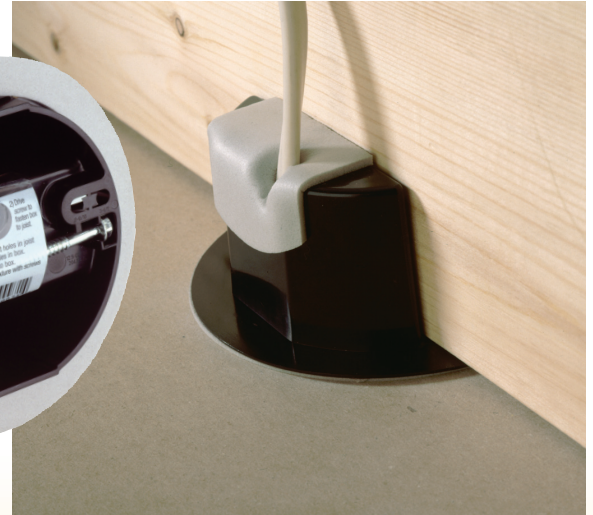

7120-1
& 7120

PATENT #6,107,568

7120VB

PATENT #'s 4,874,905, 4,605, 816, 4,580,689, 5,234,119

Applications

The RACO SADDLE-BOXes are specifically designed for use in ceiling fan support or heavy lighting fixture applications. The unique U-shaped design allows box to mount on any standard 1-1/2" wide joist. The 7120VB prevents unwanted penetration of exterior air and helps maintain the existing interior environment from elements outside the structure.

Features

- Large 12.5 cu. in. wiring compartment
- For 1/2", 5/8", or 3/4" drywall
- Patented design
- Patented, nonmetallic cable clamps (no need for separate connector)
- 2 hour fire rating
- Fan/Fixture mounting hardware hidden behind protective decal until ready for mounting. Screw heads are not exposed to drywall mud and paint
- Vapor/air barrier flange (7120VB) w/integral wire entry seal provide energy savings and quick installation for new work applications
