Willow Teepee Care and Setup

Note: This is only our suggested method of setting up our Willow teepees. You may do it in any way you want. This is just a suggestion to help.

Our Willow teepees come fully intact with no assembly required. They are easily foldable to allow for storage convenience and portability. Beans, peas, tomatoes, and other climbing plants and flowers can utilize this trellis teepee. Can be taken in during the winter to increase the life span of the product.
