

**Standard non wood, non-aluminum items:**

We recommend cleaning this item with a dish cloth and a solution of mild dish washing detergent and water. Do not use cleaners containing ammonia, bleach, acetone or abrasives.

**Wooden**

We recommend cleaning this item with a soft cloth. It is also recommended that you review the specific cleaning instructions provided with this item, as any glaze finish may require specific handling.

**Aluminum:**

We recommend cleaning this item with a soft cloth. Do not use cleaners which contain ammonia, bleach, acetone or abrasives, as it can damage the finish.
