# TOTAL VITALIZATION MAXIMUM RELAXATION

Everyone's idea of a perfect shower is different, which is why GROHE Power&Soul™ showers feature up to four different sprays. Revitalizing or relaxing, stimulating or soothing, whatever sensation you're searching for, we have a spray to match.

## **GROHE Jet**

A focused circular spray delivers a refreshing burst of water. Ideal for stimulating the skin or simply cleaning the bathtub or shower.

## **GROHE Bokoma Spray™**

Eight dynamic spray nozzles create a 'breathing' effect, recreating the tension-relieving sensation of a fingertip massage.

## **GROHE Rain O²**

A soft, smooth spray based on our original Rain spray. Air is drawn into the hand shower face and mixed with water for a wider and fuller spray.

## **GROHE Rain**

Wide and luxurious – a soft, delicate pattern to soothe the skin. Mimicking summer rain, the spray provides full and even coverage.
