We stand behind our brand and the quality of the items we sell. We will send new parts, or replace products at our discretion within the one-year warranty period. Before we can help, you will need to provide proof of purchase with the date of purchase and photos of the defective merchandise. We will use the photos to determine the cause of defect and for future quality control.

This trellis features steel construction with a powder-coated finish for greater durability and weather resistance. It does not require a lot of maintenance. However, if the trellis needs to be cleaned, it can be wiped down with a damp cloth or sprayed with a hose.

To retain the beauty of this trellis, we recommend disassembling it before freezing weather occurs and storing it indoors in a dry area.
