byYoung

The Prospera OTC TENS is compact, portable, micro-computer-controlled device.

It may help temporary relief of pain associated with sore and aching muscles in the shoulder, waist, back, neck, upper extremities (arm), and lower extremities (leg) due to strain from exercise or normal household work activities.

It's also approved by FDA for transcutaneous electrical nerve stimulation of pain relief. Symptomatic relief of acute post trauma pain, acute post surgical pain and chronic intractable pain.
