# 6'x8' Linden

## Project Planning

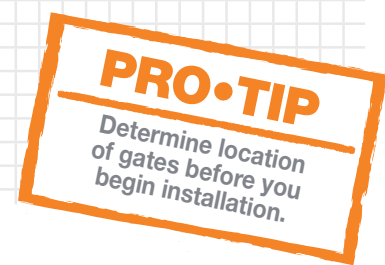

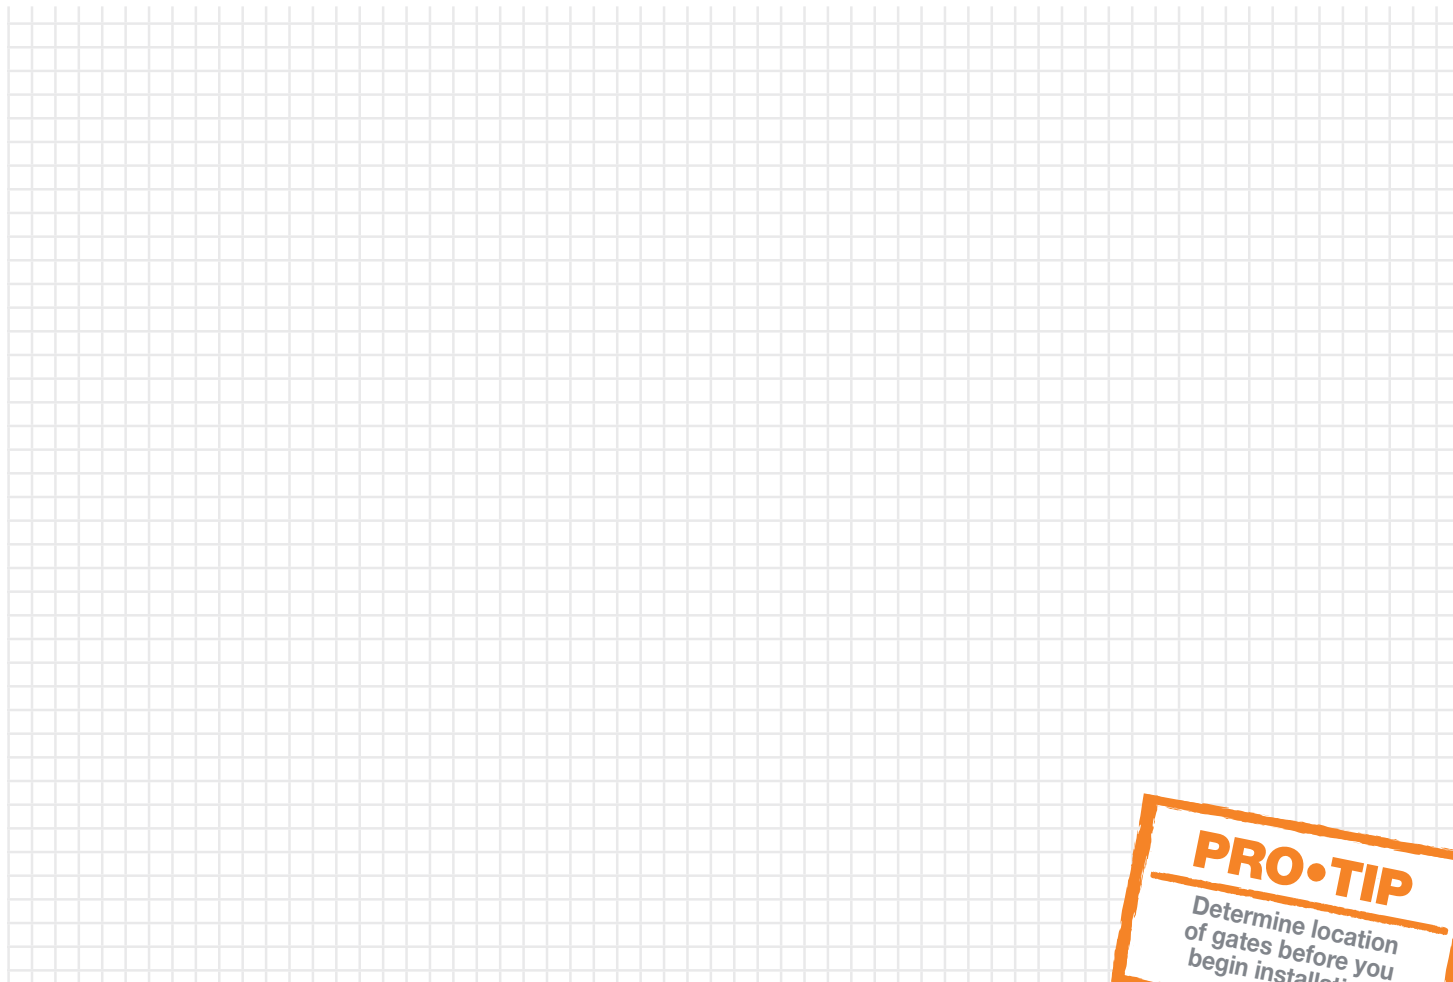

### Before beginning your project:

- Be sure to check with your local zoning laws and Home Owner's Association
- Call 811 to have your underground utilities marked on your property

### Project Planning:

- Determine and sketch distance, location, obstacles and if any gates are needed
- Mark your property line to prevent neighbor disputes

Line

Corner

End

Blank

Line Post: Posts with holes on two opposite sides to connect fence sections.

Corner Post: Connects two sections of fence coming together at 90°.

End Post: End a line of fence. Only one section of fence will connect to an end post.

Blank Post: Has no holes, and is used with a gate latch.

NOTE: Pre-Built Panels will only use blank posts with brackets. No Line, Corner or End Posts are required.
