Title: Weller® Models 6966C / 6966E / 6966H / 6966R Heat Guns
Statement of Compliance to the European RoHS Directive

Model (s): Weller® Models 6966C / 6966E / 6966H / 6966R Heat Guns

Date: April 18, 2011

Editor: Claude W. "Bubba" Powers

Description:

We set the bar high when it comes to quality standards. I'm pleased to inform you that all models of our Weller® 6966 Heat Guns have been tested in accordance with all applicable requirements for the European RoHS (Restrictions of Hazardous Substances) Directives. Based on the definitions of the RoHS Directives, we believe that the Weller Model 6966 Heat Guns meet or exceed the requirements of the European Union's Directive – 2002/95/EC.

Questions? We're here for you.
