A WAC LIGHTING COMPANY

www.waclighting.com

ongratulations on your savvy purchase of a top of the line LED luminaire.

Your new dweLED™ LED luminaire is engineered for ultimate efficiency without sacrificing quality of light. In the last 5 years there have been tremendous

breakthroughs in the science behind LEDs that have led to the level of performance we are able to provide today. Cool operating luminaires mean less energy is wasted on heat and more is used towards generating light. These advances have also allowed us to design products for modern lifestyles and build them to last; from the structure, to the electronics, and the light source itself.

dweLED™, a WAC Lighting brand, creates future forward luminaires that provide energy savings, and above all, outstanding color enhancement and beautiful white light. Our dedication to doing things the right way goes beyond our love for amazing products.

WAC Lighting promotes sustainable development with our commitment to eco-friendly manufacturing, advanced research into innovative technologies, and community involvement. Other advances can be found in Recessed Lighting, Task and Cabinet Lighting, Track and Rail, Picture Lights, and other fabulous designer interior and exterior lighting products.

Certificate of Warranty

WAC Lighting™ warrants to the first non-dealer purchaser of any of its products that they are to be free from defects in material and workmanship for a period of five (5) years from the date of purchase for all indoor products. For outdoor products: electrical components, including LED components are warranted for five (5) years; outdoor painted finishes are warranted for two (2) years. Stainless steel finish products are warranted for lifetime, under normal use, as long as the Original Purchaser owns the product. Although WAC Lighting™ uses the best available materials and does extensive testing for finish endurance, some fading or chalking may occur and is considered normal. For coastal locations, some corrosion and/or deterioration is considered "normal wear" in this environment. Therefore, any finish claim due to coastal environment conditions is not applicable to our warranty.

If a product is defective, all efforts will be made to correct the problem in the field. If the problem cannot be resolved, an RGA number will be issued through the distributor through which the fixture was purchased. The Company's obligation under this warranty shall not extend beyond the direct replacement of the fixture itself and excludes any other costs including but not limited to labor and material costs.

This warranty shall not apply to products that have been altered, improperly installed, mishandled or misused. Notice of a defect in writing must be received by WAC Lighting™ within five (5) years from the date of purchase. Note: WAC Lighting™ product warranty applies only to purchases from authorized distributors. THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THE DESCRIPTION ON THE FACE HEREOF INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
